ABOUT HAFEN & HAFEN REALTY 500

We are a full service Real Estate company selling land, homes, and commercial properties in Pahrump, Nevada. No matter what kind of property you're looking for, Hafen & Hafen Realty 500 should be on the top of your list. We have been serving the residential and business communities longer than any other brokerage in Pahrump. You can count on our staff to give you the kind of personalized and professional attention that you should expect from true Real Estate Professionals. Each member of our staff is a specialist in their field.

ABOUT TIM HAFEN

Tim and Jackie Hafen became co-brokers nearly 31 years ago. In addition to real estate, Tim Hafen has been busy ranching and serving as an assemblyman in the Nevada Legislature. Recently, Tim was named one of Nevada's 50 top business leaders in recognition of his contributions to the state's farming and land development industries.

ABOUT COTTONWOODS

Planted in 1953 by Tim, several of the largest true Cottonwoods in the Pahrump Valley stand as landmarks for the Cottonwoods at Hafen Ranch, a planned community. The Cottonwoods offer a spectacular view of downtown Pahrump, especially after nightfall. Because the Hafens loved their unrestricted view of Mt. Charleston and the surrounding ranges and wanted to share it, Cottonwoods at Hafen Ranch was developed with all utilities underground, half acre lots, ponds, private wells, and a state-of-the-art sewage treatment plant. Now ARTESIA is the newest Master Planned Community (be sure and see about ARTESIA elsewhere).

Hafen & Hafen Realty is located on Hwy. 160 next to Nevada State Bank. Stop in and our friendly staff can assist you with all your real estate needs!
