Email:lyoung@pahrump.com

Pahrump Steel is owned and operated by Larry Young. The business started in June of 1999, building horse, car and patio shades, shop buildings, garages and mini storage sheds.

In 2003 the volume of business had grown so much that it was necessary to relocate the business to its present location on Mesquite. This site has a building that is approximately 3,000 square feet, which houses the Pahrump Steel Offices.

Pahrump Steel sells:

- Building Kits

- All profiles of Steel Sheeting (for Building Roofs and sides)

- Tek screw w/washers (Self-tapping and Wood)

- Steel accessories (Foam closures, butyl tape, valley flashing, etc.)

- 1.50"x1.50", 2"x2", 2"x3" x.083x24'0" Galvanized Steel Tubing

Pahrump Steel wants to thank the community for the support you have shown us the past seven years and promises to continue to meet the needs of the community in the years to come.
