A Little About Teresa Moran

I came to Pahrump as a new born. My parents Leslie and Patricia Mankins were Pahrump Pioneers. My parents owned and operated Mankins Texaco and began to acquire land all over the valley. I was given an early education in not only business practices but a continuous education in Real Estate. I have ridden horses over just about all of this valley also at a young age, so I really know my dirt. My Real Estate career has really been quite rewarding as I have had at least a million dollars if not more each year I have been an Realtor. My clients satisfaction is #1 with me. So if you need a Realtor I would love to help find your Dream Home or some really good dirt.
